CONDOLENCES

Mr. Akira Sonny Omonaka, a member of Honomu Hongwanji Mission, passed away on May 9, 2014. Mr. Omonaka served as the Vice President of Honomu Hongwanji Mission for a long time. The Ingo (Posthumous Title) of JIN-KOU-IN 深広院 was conferred by Bishop Eric Matsumoto and presented at the Funeral Service. "JIN-KOU" means "the one who deeply and widely helped others" in recognition of his exemplary service to the temple and the community, just as Amida Buddha's Compassion reaches out to all beings and forsakes none, by which so many greatly benefitted.

Mr. Harold Makoto Date, a member of Honpa Hongwanji Hawaii Betsuin, passed away on May 9, 2014. Mr. Date served as the board member for both Honpa Hongwanji Mission of Hawaii and Honpa Hongwanji Hawaii Betsuin. The Ingo (Posthumous Title) of KOU-SHOU-IN 光摂院 was conferred by Bishop Eric Matsumoto and presented at the Funeral Service. "KOU-SHOU" means "the one who luminously embraced others" in recognition of his dedication and effort to always care about others and look after their welfare just as the Buddha's Light of Compassion warmly embraces all who sincerely entrust.

JASON CABOT

Jason Cabot, a graduate of Kaua'i High School and Honolulu Community College, was injured on Oahu in a swimming accident last year, resulting in paralysis from his chest down with limited movement of his arms. In the months since, Jason has twice been to Craig Rehab Hospital in Colorado and continues physical therapy on Kaua'i, where he currently resides. His father, Gilbert Cabot, has been the scoutmaster for Lihue Hongwanji's Boy Scout Troop 83 for many years. The Cabot family is not a Hongwanji member. With hard work, cooperation, and generosity of members of LHM and non-members from the community, several fundraising events were held including a craft fair, food sales, car wash, and golf tournament. A check was recently presented to the Cabot family to help with their expenses. LHM expresses their deepest gratitude to everyone on Kaua'i.

BWA PARTICIPATES IN PAN-PACIFIC PARADE

Members and friends of the Honpa Hongwanji Mission of Hawaii Federation of Buddhist Women's Associations participated in the Pan-Pacific Festival parade on Father's Day, June 15th. An enthusiastic group of purple-clad marchers carried cranes made by Jean Yamashiro of Jikoen and Norman Hirohata-Goto of Betsuin.

The message, "Share Peace," was beautifully illustrated on placards designed and made by Jo DesMarets of Betsuin. Josh Hernandez-Morse drove the PBA bus to accommodate BWA members who were unable to walk the entire parade route.

Spam musubi made by the women of Kailua BWA, oranges donated by Jikoen BWA, and water donated by President Janet Honda sustained the participants before and after the event.

Participation in the parade fosters relationships among BWA members from different temples, and also is a way for us to engage in and support community activities.

We would like to express our appreciation to all who participated in the event and to those who helped in planning, preparation, and communication.

PBA ANNUAL FUND CAMPAIGN

Aloha, Pacific Buddhist Academy 'Ohana! Just about 10 days remain in Pacific Buddhist Academy's 2013-14 fiscal year and Annual Fund campaign. We need about \$20,000 to make our goal of \$120,000 by June 30.

Donations to the Annual Fund help PBA make up the difference in the actual costs of educating all our students. All your contributions create more opportunities for new generations of leaders in the service of peace to change the world.

To make a donation, [give online](#) or see the [How to Give page](#) on our website.

If you have already given this year, Mahalo! Additional contributions are always needed and welcome! Please know how much our students and their families appreciate your investment in them. As in past years, all graduates from the Class of 2014 were accepted into colleges and universities. Thank you for helping us strive to be an affordable, college-preparatory high school infused in Buddhist values that nurtures the whole student.

CALL FOR SUBMISSION FROM CALENDAR COMMITTEE

2015 – Embrace Change: Awareness (Seek Opportunities)

We seek AWARENESS of our current situation and seek opportunities as a result of our understanding of ourselves, our community, and our needs.

The HHMH Calendar Committee would once again like to invite the temple members to provide creative works of art for the Hongwanji calendar. The works of art may include photos, drawings, poems, and even picture of things like sculptures and pottery. The pictures will need to be able to be enlarged to an 8x10 photo quality. We have found that cell phone pictures often do not work well for this calendar project. For each submission, please include your name, temple, and a paragraph with your reflection or thought that describes how the picture relates to AWARENESS.

Please encourage each other and your various temple organizations to start thinking about ideas to submit for the 2015 calendar over the upcoming summer months. How about even submitting something as a family or as a group? Dharma School, BWA, Jr. YBA, Project Dana, etc.? Members are not limited to just one submission, but please be sure to include a separate description for each submission. If you have questions, please leave a message for Yumi Suzuki at the Hongwanji Headquarters Office c/o Rev. Umitani at 522-9205 or email address: hqs@honpahi.org. For entry submissions, please submit directly to Alan Kubota at lenscapes@yahoo.com. He will also be able to respond to your technical questions. Thank you.

The deadline for submissions is September 9, 2014.

US NAVY AND HONPA HONGWANJI MISSION OF HAWAII

Recently, on June 13th, Bishop Eric and Mrs. Tamayo Matsumoto of Hawaii Kyodan were among the “key religious leaders” guests who were invited to attend an intimate dinner hosted by Rear Admiral Richard L. Williams, Commander of US Navy Region Hawaii and Mrs. Suzy Williams at their spacious and historic 100 year old residence at Pearl Harbor. It was wonderful evening of fellowship and getting to know each other in anticipation of future relations between the US Navy and the religious communities of Hawaii. Earlier, last year, Bishop and Executive Assistant to the Bishop Rev. Toshiyuki Umitani attended the Change of Command Ceremony at the USS Missouri Memorial Pier on Ford Island when Admiral Williams became the new Commander of the Navy in Hawaii. Our appreciation to Captain Sal Aguilera who coordinated the contacts with personally delivered invitations and also for his participation at our Interfaith Peace Day Service held at Honpa Hongwanji Hawaii Betsuin in September 2013. We look forward to working with the Navy to help meet the needs of Navy personnel especially those who are Buddhists or have an interest in Buddhism.
