MAY 2015

REQUEST FOR COMPASSIONATE AID FOR NEPAL

April 25, 2015, a Saturday in the mountainous Himalayan nation of Nepal, started like any other day, but it will be remembered with trauma and great sadness because of so many lost and injured lives, and the destruction of so much property including homes and centuries-old shrines and temples. At last count, the number of people killed by the massive earthquake that struck Nepal has surpassed 5,000 and according to some reports, over a million children are in need of aid. Many people are living outdoors for fear of entering weakened buildings and homes which may collapse due to aftershocks, but supplies are limited and people are struggling day to day. Those who are uninjured and able to help are helping those less fortunate.

In a Facebook message from Kathmandu Hongwanji Buddhist Temple, Jodo Shin Buddhist Minister Rev. Sonam Bhutia reports, *"We are fortunate that we lost no lives at the Kathmandu Hongwanji, however, as part of the Nepalese community we are saddened by the death and destruction that has come to our wonderful city."* He shares the destruction, despair and death left by the quake and reports that they are doing their best, as are others, to help those in need. He makes a sincere request for aid (funds), *"...with reverence and respect to all who would like to help, we hope for the world to respond to Nepal's dire needs with heartfelt aid to save our community. Please help Nepal and the Kathmandu community in our time of suffering. The funds raised will be used to help all without regards to religion or ethnicity, since we are all part of the world community and feel strongly that we must help each other in times of need."*

The Honpa Hongwanji Mission of Hawaii Committee on Social Concerns has decided to make an emergency contribution for immediate aid and also embark on a special Nepal disaster relief drive called "Aloha for Nepal." All funds raised will go to Kathmandu Hongwanji and to the disaster relief organization, Mercy Corps.

On behalf of our State President Mr. Pieper Toyama, Committee on Social Concerns Chair Rev. Blayne Higa, and the Social Concerns Committee and myself, I would like to humbly ask our Members, Supporters and Friends for your compassionate help to lend aid to the people of Nepal. As Buddhists, we have a special connection with Nepal as it is the country of Sakyamuni Buddha's birth, but more importantly, let us help all our neighbors in Nepal in their time of need and immense suffering.

Namo Amida Butsu, Entrusting in the Buddha of Immeasurable Life and Infinite Light. In Gassho,

Rev. Eric Matsumoto, Bishop

PBA - Congratulations to the Class of 2015

The accomplishments of these wonderful young scholars were celebrated by hundreds of members of the PBA community at a Baccalaureate Service on May 7 and Commencement on May 8. Head of School Josh Hernandez Morse captured the spirit of this class in his moving dedication: "The Class of 2015 was a remarkable class. They took to heart the deepest truth of the PBA way: from school camp, to pep rallies, to the senior banquet, to Sports Day – we are an interdependent chain. We burnish each other. And as the senior lead, so goes the heart of the school."

Congratulatory Message from the Governor General of Jodo Shinshu Hongwanji-ha Bishop Chiko Iwagami

To the members of the Graduating Class,

Congratulations class of 2015! As you are seated here, I am sure that you are reflecting on the many memories you have of the time you have spent here until today.

Graduation marks the end of one of many chapters in one's lifetime, and at the same time, it is also the starting point as you set off toward a new goal. As you take flight from Pacific Buddhist Academy, you will carry the memories of your days here at the PBA together with your hopes and dreams in the next phase of your life.

On this special occasion, I would like to share with you the spiritual legacy of this school, that is, the Buddhist concepts of *doryoku* and *shōjin*, which refers to “effort and devotion.”

Shōjin is a Buddhist term which expresses sincere efforts. Being lazy does not open new pathways. Laziness would bring you neither solution nor happiness.

According to records, Sakyamuni Buddha’s last words were as follows, “Fellow practitioners, this is the message I would like to leave for you. Nothing remains the same. Work ceaselessly and do not stop doing so.” Through these words, Buddha implies the importance of dedicating one’s lifetime to learning.

During the 2014 Sochi Winter Olympics, Japanese figure skater Mao Asada placed sixteenth in the women’s short program. This did not discourage her however, with her unfaltering determination, she not only regained her self-confidence but during the free skating portion the following day, she flawlessly executed jump after jump and even managed to break her own personal record. All of Japan was touched as she burst into tears, sending her words of praise and respect. Though it may be said that Asada was fortunate to have been gifted with such talent, she could not have managed to achieve such an outstanding comeback without the dedication and effort.

Among internet users who are known for their ruthless comments also praised Asada, where one blogger wrote “I could not stop crying. Those who devote themselves are forever beautiful.”

Giving it your all, while being careful. This is what we must always keep in mind. At times, things may go as planned, while other times it may be very challenging. In society, we have a tendency to value only the outcome. Therefore, it is natural to focus on only the results, however, though the results may not turn out as expected, do not let it keep you down for long, or continue dragging on this feeling with you. The same could be said for when things go well. Boasting about your achievement and staying in that state will not get you anywhere. It is important to continue aiming for your next goal and being able to continue moving forward. Only then, can one truly become an admirable and beautiful person in the true sense.

As you, the graduating class of 2015, continue to expand your wealth of knowledge, it is my hope that you will continue to nurture the spiritual legacy of this school of “effort and devotion” within each of yourselves throughout life, becoming a person of respect and characteristic beauty. Doing so, I am confident that a bright future will await you.

In closing, let me once again congratulate you on your graduation. Thank you.
