

What do I want to do? What do I need to do? Where do I start?

The goal of this workshop is to help find answers to these questions. Participants will learn practical job search skills and tools that can apply and be used throughout and for the rest of their career. Also, participants will receive tips on how to speed up the career search process.

This workshop, led by Janelle Sasaki, Executive Director, Diversity & Inclusion Services, EY Advisory Japan and fellow Jodo Shinshu Buddhist

Janelle especially designed and customized to connect Careers and it's relevance to Jodo Shinshu Buddhism. Please do not miss this valuable opportunity to get started on your career journey.
