### BISHOP'S CORNER

**"As we say good-bye to 2021, let's..."**

Bishop Eric Matsumoto

As 2021 draws to a close, I want to express my gratitude and appreciation to each and every one including our Hawaii Kyodan State President Dr. Warren Tamamoto, for your responding in gratitude to Amida Buddha in the form of your perseverance and continued moral and financial support of especially your local temple, but also our state-wide organization of the Honpa Hongwanji Mission of Hawaii, its affiliate organizations, and various projects and programs. It has not been without struggles, but we have survived another year of this Pandemic not only for ourselves, but including trying to help others too. Thus, once again, I say "Thank you to you, the Sangha, for responding in gratitude to the Buddha and being guided by the Dharma."

The Jodo Shinshu or Nembutsu way of life, as being emphasized by His Eminence Kojun Ohtani, is very important and significant for us. As shared previously, in April of this year, Gomonshu Kojun Ohtani shared in a Message,

*Jodo Shinshu is the teaching that we will attain enlightenment beyond form and become buddhas in the "Pure Land of naturalness" through shinjin alone. In shinjin we accept without doubt the heart of Amida Tathagata's Vow of "Namo Amida Butsu" – "Entrust yourself to me. I will liberate you just as you are."*

*When we are touched by this warm compassion and learn of Amida Tathagata's wish for our life, we are empowered to live at ease, share joy and sadness with people, and a world of mutual respect and support opens up. With ease and joy, Shinran Shonin walked the path of gratitude for being saved by Tathagata's compassion. Aspiring to learn from his way of living and transmit his teaching to the next generations, I would like to express the essentials of the Jodo Shinshu Teaching in the following passage.*

### Gratitude for the Jodo Shinshu Teaching

Namo Amida Butsu.

"Entrust yourself to me. I will liberate you just as you are." This is the calling voice of Amida.

My blind passions are embraced in the Buddha's awakening, So the Buddha calls to me "I will liberate you just as you are."

Gratefully responding to the Buddha's call,  
I find that I am already on the path that leads to the Pure Land.  
And the Nembutsu flows freely from my thankful heart.

Living with the Dharma as my guide  
Softens my rigid heart and mind.  
Gratitude for the gift of life I have received  
Frees me from becoming lost in greed and anger,  
And allows me to share a warm smile and speak gentle words.  
Sharing in the joy and sadness of others,  
I shall strive to live each day to its fullest.

*In 2023, we are going to conduct a Joint Celebration of the 850th Anniversary of Shinran Shonin's Birth and 800th Anniversary of the Establishment of the Jodo Shinshu Teaching. In gratefulness for the birth of Shinran Shonin and his expounding of the teachings of Jodo Shinshu, let's recite "Gratitude for the Jodo Shinshu Teaching" together, work together, and live a life of Nembutsu together to spread his teaching."*

Today, I want to conclude by especially having us take note of His Eminence's words "**live a life of Nembutsu together to spread his (Shinran Shonin's) teachings.**" We, the Hongwanji Sangha, each and every one of us, have a part to play in sharing Amida Buddha's Wisdom and Compassion. Thus, as we come to the end of 2021, let us take a moment to reflect on this and in the New Year, also, rededicate ourselves to our Hawaii Kyodan Mission Statement "*to share the living teachings of Jodo Shinshu Buddhism, so all beings may enjoy lives of harmony, peace and gratitude.*" Thank you and Namo Amida Butsu.
