Our community is inclusive and welcomes all, regardless of ethnicity, gender identification, sexual orientation, age or religious background. Interdependence connects us all, as we strive to practice compassion and gratitude in our everyday lives while seeking the path to enlightenment together.

GOLDEN CHAIN OF LOVE

I am a link in Amida Buddha's Golden Chain of Love that stretches around the world.
I must keep my link bright and strong.

I will try to be kind and gentle to every living thing, and protect all who are weaker than myself.

I will try to think pure and beautiful thoughts, to say pure and beautiful words, and to do pure and beautiful deeds, knowing that on what I do now depends not only on my happiness or unhappiness, but also that of others.

May every link in Amida's Golden Chain of Love be bright and strong, and may we all attain perfect peace.

Do you know about Obon?

Also known as the Bon Festival, it is a time to honor and remember family and friends who have departed. In Hawaii, Bon Festivals are held throughout the summer and have become community celebrations where spectators and dancers gather to have fun, meet friends and EAT. People of all faiths and backgrounds join in this festival.
